

Aviation Maintenance Technician Seminar

This presentation will cover the Federal Aviation Administration rules that the AMT is responsible to know and use during taxiing and towing of aircraft/equipment. There will be examples!!!!!!!!!!

Directions: From highway 820 take exit 13 towards Meacham International Airport. Drive past the Meacham Terminal (just past the fire station) and turn right on 38th Street and drive to the end of the street (dead end). The Vintage Flying Museum will be on your left. The meeting room will be marked at the entry to the museum.

A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at www.FAASafety.gov!
